

Accommodate Special Needs

Present your guests with unparalleled comfort and hospitality with UltraLav® mobile restrooms & showers.

ADA Shower (Handicap Accessible)

The UltraLav® ADA Shower is a handicap accessible shower trailer, but it is NOT certified ADA compliant. Everything you need for set up is totally self-contained. This trailer features our exclusive and proprietary “one-touch” hydraulic trailer lowering system. The entire trailer smoothly and quietly lowers to the ground making long and cumbersome ramps obsolete.

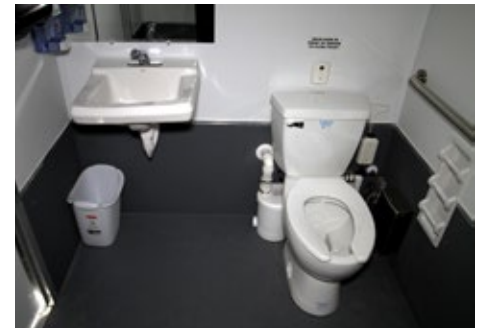

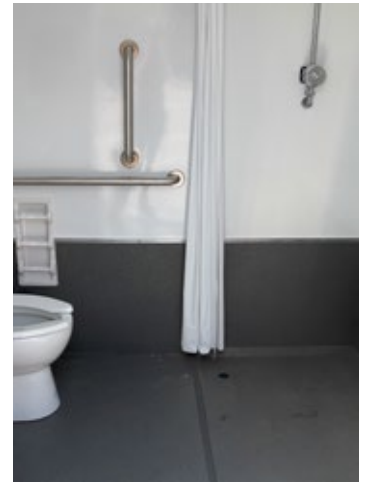

Trailers may feature optional equipment available at an additional charge.
